

PRESS RELEASE – FOR IMMEDIATE RELEASE

Solid financial performance – TradeTech Consulting awarded AAA credit rating

Stockholm, Sweden - Oct 16, 2008 –For the eighth consecutive quarter, TradeTech Consulting has been awarded Soliditet's AAA credit rating. This places TradeTech Consulting in an exclusive group of just six per cent of Swedish companies that meet the strict criteria that are required for a AAA credit rating. More than 2,400 measuring points are considered, examining the company's age, ownership, management, financial performance and its ability to make payments. Examples include:

- Key Performance Indicators must be significantly better than the industry average
- The company must demonstrate a solid and positive growth curve
- The company must be at least 10 years old

Torbjörn Ekstrand, CEO at TradeTech Consulting, comments: "In the midst of the current financial turmoil, this award confirms the importance of our strategy to keep a long-term perspective in everything that we do. We always aim to build long-term relationships with our clients and to remain a reliable partner to them. We have been through very tough market conditions twice before, and we have learned from the past. We are now better equipped than ever to support our clients through changing market conditions."
