

PRESS RELEASE – FOR IMMEDIATE RELEASE

## TRADETECH TAKES THE LEAD IN EUROPEAN WALLSTREET CONSULTING

- Sixteen TradeTech Consultants now Wallstreet Suite version 7 certified
- Both technical and business expertise

Stockholm, Sweden – March 3, 2009 – TradeTech Consulting, leading provider of consulting services to the treasury, trading and capital markets space, now offers one of the highest concentrations of Wall Street Systems (Wallstreet) expertise in Europe.

A Wallstreet partner since 2004, TradeTech became an official version 7 upgrade partner in 2008 and with a team of 12 certified technical consultants on board offered Wallstreet clients a unique level of expertise.

“Now with another six certified business consultants, some of whom are also certified technical consultants, we offer true one-stop shopping for Wallstreet users looking to upgrade or fine-tune their Wallstreet solution”, says Joakim Wiener, Director of Sales at TradeTech Consulting. “In addition, Wallstreet clients also outsource the management of their solutions to our Business Support team.”

Gavin Style, Managing Director, Sales and Marketing at Wallstreet comments “Our clients are taking advantage of the benefits associated with upgrading to the next generation of Wallstreet Suite. We are pleased that TradeTech will be fully supporting them across business and technical requirements as they maximize the value of their treasury investment”
