VOLVO TREASURY SELECTS TRADETECH CONSULTING TO MANAGE WALLSTREET SOLUTION

- Volvo Treasury outsources Wallstreet Suite management to TradeTech
- TradeTech extends scope of services provided to Volvo Treasury

Stockholm – Feb 4, 2009 – TradeTech Consulting, leading provider of services to the treasury, asset management and capital markets space, has assumed responsibility for the backbone of Volvo's treasury environment, the Wallstreet Suite.

“By turning over system operations and support to TradeTech, we expect to get even more out of our treasury solution. We already use TradeTech for business intelligence projects and application development and have come to expect high-quality results,” says Fredrik Ringström, IT Manager, Volvo Treasury.

“We are pleased to extend the scope of services we provide to Volvo Treasury, and proud to strengthen our position as a leading Nordic treasury consulting house” says Joakim Wiener, Director of Sales at TradeTech Consulting. “By choosing TradeTech, Volvo Treasury will not only gain operational efficiencies, but also benefit from the experiences of our extensive client network.”

TradeTech Consulting manages and supports Volvo Treasury's Wallstreet solution as of February 4th, 2009. TradeTech is a certified Wall Street Systems partner.
