## **LARGE SWEDISH TELECOMMUNICATIONS COMPANY SELECTS TRADETECH CONSULTING TO MANAGE WALLSTREET SOLUTION**

Treasury department of one of Sweden's top six corporates, a large telecommunications company, outsources Wallstreet Suite management to TradeTech Consulting

Stockholm . January 14, 2010 . TradeTech Consulting, leading provider of services to the treasury, asset management, insurance and capital markets space, assumes responsibility for the backbone of a large Swedish telecommunications company's treasury environment, the Wallstreet Suite (formerly Tremas Finance KIT).

"We needed a partner with outstanding corporate treasury expertise and an in-depth understanding of our business objectives. TradeTech was the obvious choice as they have the critical mass of Swedish treasury expertise in terms of customers as well as consultants. By turning over system operations to TradeTech, we expect a speaking partner that can support our changing needs over time," says the telecommunications company's Treasury Specialist.

"We are proud that this telecommunications company selected TradeTech Consulting to support their treasury solution," says Joakim Wiener, CEO at TradeTech Consulting. "By choosing us, they will not only realize operational efficiencies, but also benefit from knowledge exchange with other treasury professionals in our extensive customer network, for instance at our regular customer event the Summit."

"TradeTech takes pride in building long-term relationships with our customers," says Jakob Horn, Account Manager at TradeTech Consulting, "and look forward to providing this seasoned treasury team with top notch support going forward."

TradeTech Consulting manages and supports the telecommunications company's treasury solution Wallstreet Suite as of January 1<sup>st</sup>, 2010. TradeTech Consulting is a certified Wall Street Systems upgrade partner.
