

PRESS RELEASE – FOR IMMEDIATE RELEASE

LANDSHYPOTEK SELECTS TRADETECH CONSULTING TO SUPPORT WALLSTREET SUITE INSTALLATION

Stockholm – 10 February, 2010 – TradeTech Consulting, leading provider of consulting services to the Nordic treasury, asset management and capital markets space, has assumed responsibility for Landshypotek's treasury environment, the Wallstreet Suite (formerly known as Trema's FinanceKIT). TradeTech provides business and technical application support through TradeTech Business Support as of January 1st 2010.

"We needed a flexible support partner with outstanding Wallstreet Suite experience and preferably with a local presence. We were very impressed by TradeTech's business expertise and their sophisticated Business Support service" says Åsa Hultlöv, Risk Analyst at Landshypotek. "TradeTech's agility and sense of urgency were also impressive; we signed the contract on December 1st and were up and running by January 1st. After one month with TradeTech we are very satisfied with the level of support they have delivered" Åsa concludes.

"We are delighted to welcome Landshypotek to TradeTech Consulting and our Business Support" says Joakim Wiener, CEO of TradeTech Consulting. "We are firmly committed to building and maintaining long-term relationships with every customer. To achieve this, we are equally committed to delivering outstanding service and value."

"Landshypotek knew exactly what they wanted from us, much thanks to their previous experiences," says Jakob Horn, Account Manager at TradeTech Consulting. "We know that they expect nothing but the best from us and we look forward to providing just that through TradeTech's Business Support."
